## CLUB EXCLUSIVE!

### Clear Stream™ Recycling Bin

The School Recycling Club, with funding from the New Hampshire Soft Drink Association and New Hampshire the Beautiful, Inc. (NHTB), is offering **New Hampshire** School Recycling Club (THE CLUB) members the Clear Stream™ recycling bin. Its strong wire frame, see-through bag (providing content visibility), bold graphics, and raised 4-hole lid dramatically increase recycling participation and reduce the chance of contamination.

There are three easy requirements for schools to obtain the bin:

1. Be a New Hampshire member of THE CLUB;
2. Complete the application (on reverse) and mail it to THE CLUB, along with a check payable to NHTB; and
3. Make arrangements for pick up of the bins in Epsom, NH at the offices of the Northeast Resource Recovery Association (NRRA). Directions can be found at [www.nrra.net](http://www.nrra.net).
