NORTHEAST RESOURCE
RECOVERY ASSOCIATION

PRESS RELEASE – 6/6/17

Milford School District (Milford, NH) Receives NRRA's Special Recognition Recycling Award

EPSOM, NH – The Northeast Resource Recovery Association (NRRA), New Hampshire the Beautiful and NRRA's School Recycling CLUB presented Bert Becker and George Hoyt of Milford School District with their Special Recognition Award at the 8th Annual School Recycling Conference on May 23, 2017 at the Radisson Hotel in Manchester, NH.

The Milford School District was recognized for their forward-thinking, district-wide School Recycling Policy, adopted in June of 2016. The Policy recognizes the importance of educating the students about recycling and conservation of natural resources, and further directs all school staff and students to recycle as much as possible.

“The Milford School District has set a recycling policy in place that will move their schools forward by adopting sustainable practices”, said Michael Durfor, NRRA Executive Director.

Nine awards in total were given out. For nomination details on each recipient, visit The School Recycling CLUB website www.schoolrecycling.net or Facebook page <https://www.facebook.com/school.recycling>

About NRRA School Recycling CLUB

The School Recycling CLUB is a non-profit group that assists schools in implementing, maintaining and improving recycling programs. The CLUB is managed by NRRA. The CLUB offers school groups a chance to join a program that will help them promote or advance their efforts, network with other school groups, and stimulate school recycling, reducing waste and save energy. To learn more, visit www.schoolrecycling.net

About New Hampshire the Beautiful

New Hampshire the Beautiful (NHtB) is a non-profit 501 (c)(3) Charitable Trust supported by members of the NH Soft Drink Association, the Beverage Distributors of New Hampshire Association and the New Hampshire Grocers Association. This collaborative effort by food and beverage companies has developed comprehensive programs to address, litter issues, recycling challenges, environmental awareness and education. To learn more, visit www.nhthebeautiful.org

About Northeast Resource Recovery Association (NRRA)

Founded in 1981, NRRA provides a clearinghouse for current, up-to-date information and a source of technical and marketing assistance in the general areas of waste reduction and recycling. NRRA is a member driven organization made up of over 400 municipalities, individuals, and businesses in New Hampshire, Vermont, Massachusetts, Connecticut and Southern Maine. NRRA is a non-profit 501(c) organization. NRRA's School Recycling CLUB assists schools in implementing, maintaining and improving recycling programs. To learn more visit www.NRRA.net.

NRRA is an equal opportunity provider and employer. The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, sex, religion, age, disability, political beliefs, sexual orientation, and marital or family status. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD). To file a complaint of discrimination write, USDA, Director, Office of Civil

Rights, Room 326-W, Whitten Building, 14th and Independence Avenue, SW, Washington, DC 20250-9410 or call (202) 720-5964 (voice or TDD). USDA is an equal opportunity provider and employer.
