# PRESS RELEASE – 6/6/17

## Hollis Brookline High School Senior Receives NRRA's Outstanding Student Recycler of the Year Award

EPSOM, NH – The Northeast Resource Recovery Association (NRRA), New Hampshire the Beautiful and NRRA's School Recycling CLUB presented Alexandra (Allie) Campbell with their Outstanding Student Recycler of the Year Award at the 8<sup>th</sup> Annual School Recycling Conference on May 23, 2017 at the Radisson Hotel in Manchester, NH.

Ms. Campbell presented the Keynote Address at the School Recycling Awards Luncheon. She outlined the crisis of plastic waste and her steps to implement a plastic film recycling program in her town. Her success translated into over a ton of plastics collected over 18 weeks. Instead of going to a landfill, this resource will now be used to make new products.

"It's dedicated students like Allie who will change our world and our environment," said Michael Durfor, NRRA Executive Director. "As she ventures on to college, she gives us hope for the future and shows everyone what just one person can do to protect the Earth."

Nine awards in total were given out. For nomination details on each recipient, visit The School Recycling CLUB website [www.schoolrecycling.net](http://www.schoolrecycling.net) or Facebook page <https://www.facebook.com/school.recycling>
