Campbell High School
Recycling Advocacy Program
1 Highlander Ct.
Litchfield, NH 03052

Dear Friends,

Let me extend my thanks and congratulations to Dennis Perrault and each of the students who participate in the Campbell Recycling Advocacy Program!

Through your diligent initiatives, Campbell High School has helped to integrate environmental sustainability into the Litchfield school system. It is wonderful to see students not only getting engaged in this program, but essentially running it. From paper, aluminum cans, cardboard, plastics, clothing, and even copper wire, this truly is a holistic approach to comprehensive recycling.

On behalf of my constituents across New Hampshire's Second Congressional District, I thank you for all that you do to make New Hampshire such a wonderful place to live, work and recycle. If I may support your efforts in anyway, please don't hesitate to be in touch. I look forward to our continued work together!

Sincerely,

Ann McLane Kuster
Member of Congress
