Reading & Writing Activities to Learn about Recycling

- **I-Spy Recycling Words**- Introduce recycling words to the children. Where do you see these words in the classroom or around town? Make a list together!
- **Posters**- Using cardboard boxes or big sheets of paper create a classroom poster about the importance of recycling for our planet.
- **Create a Story about Recycling**- Pre-K or K-Wrap can create a group story with pictures about recycling and share it with the younger classrooms.
- **Puppet Show**- Put on a performance about recycling.
